Quilt Path™
computerized quilting system

Professional power
at your fingertips.

Quilt your masterpiece with ease and professional accuracy using Quilt Path made specifically for APQS quilting machines. Enjoy the benefits of a professional computerized quilting system in the comfort of your own home. Quilt Path's easy-to-use touchscreen tablet makes it simple for you to design and lay out your project and let Quilt Path quilt it.

Features

- Software to design your own patterns, pantographs, borders and full-quilt layouts.

- Mirror, rotate, or adjust your layout including precise pattern placement on you quilt.

- Alternate and nest patterns and rows.

- Record and save freehand patterns for future use.

- Access a vast library of 750 quilt-ready patterns.

- Import a wide variety of pattern files.

- Remove your Quilt Path touchscreen tablet and lay out your next quilt from anywhere.

- Thread break protection so you can multitask while quilting.

- Professional accuracy.

- Quick and simple installation. No machine removal needed.

- Quilt Path is completely independent of the quilting machine. Adding no extra weight when free motion quilting.

- Quilt Path can be added to any APQS model year 2013 or newer that has the Bliss Tracking System.
