

CREATIVE EQUIPMENT FINANCING

APQS FINANCE PROGRAMS

With programs specifically designed for the quilting industry, we can turn your dreams of owning a longarm quilting machine into a reality!

Program Details

1. Simple application process
2. Low upfront costs (0-2 payments)
3. Machine is the only collateral
4. Work with a team at Red Thread who understands the quilting industry
5. Fast decisions, typically within 1 business day
6. Early payoff options available.
7. Up to 100% financing (includes accessories, shipping, install, tax, etc.)
8. Approval based on credit, debt-to-income, amount, and term
9. Machine should be used for income generation.
10. Terms up to 7 years for machines 5 years old or newer (7-year terms not available on financing under \$15,000)

- Quotes subject to credit approval; rates and structure may vary dependent upon credit quality.
- Per \$1,000 added to the finance amount, monthly payment increases \$22 for 60 months
- The machine the Quilt Path is installed on will be taken as collateral.
